

SFCC Running Start: Math Options

** Make sure that you don't put math off too long during your time at SFCC!*

**Doing so could endanger your chance of graduating high school on time.*

1. Continue with MATH at your high school

- Consult your high school guidance counselor

2. Bypass testing using *Alternative Placements*

- **SAT math score ≥ 550**
 - *placement into Math 107, 221 or Philosophy 120*
- **ACT math score ≥ 23**
 - *placement into Math 107, 221 or Philosophy 120*
- **Pre-Calculus Agreement**
 - Transcript must reflect TWO consecutive semesters of Pre-Calc with a 3.0 or higher (*no B-*)
 - Student must and submit a Pre-Calculus Agreement

3. *MyMath Test* Study Program & Placement Test

- *See next page for information.*

MyMath Test: Study Program & Placement Test

1. ACTIVATE

- Request activation by contacting the SFCC Pullman Campus.
- *If you took the COMPASS test, that \$30 fee will also cover ONE activation during your time at SFCC.*
- *If you did NOT take the COMPASS test, you will need to first pay the \$30 testing fee.*

2. CHOOSE A PATHWAY

- Your SFCC **COUNSELOR** or **ACADEMIC ADVISOR** will help you choose the correct pathway.
- ***MATH LITERACY: Math 87, 88, 107, 221***
- ***ALGEBRA INTENSIVE: Math 90, 93, 94, 98, 201, 208, 141***

3. PRACTICE

- Once activated, you have access to the program for **16 weeks**.

4. TEST

- Once you are ready to take your test, contact the SFCC Pullman Campus to schedule a testing appointment.
- You will have **TWO** chances to test during the 16 weeks (*for the entire sequence...not for each individual test.*)
